

CONNECTIONS SUPPORT SERVICES

RESPIRE CLASS

PROGRAM GUIDE

FALL/SPRING 2017-2018 EDITION

Respite services will be offered at a 1:1 or group level, dependent on the needs of the child, on Saturdays during the school year. **We are open on Saturdays from 8am-1pm.** This service will be offered 9/16/17 through 6/2/18. Registration will be on a first come first serve basis, and as scheduling allows. Respite will tentatively be offered at both of our center locations, but again this is as scheduling allows.

Requires private payment or prior authorization from the CLTS Waiver for Respite. See policies section at end of brochure for details.

An intake appointment/interview will need to be scheduled for anyone interested in support services that is not a current client of Connections. Please contact Kashena at kvanasten@connectionswi.com or 920-830-0364 with any interest.
